

THE LAWS OF AUSTRALIA

The Laws of Australia (TLA) is a single resource for practitioners enabling efficient and accurate research as well as coverage across a broad range of practice areas. TLA can be used as an explanatory tool or as your starting point for researching case law.

When you access *The Laws of Australia* online you're accessing the expertise of a team of more than 400 specialist authors and editors overseen by our Editor in Chief The Hon Michael Kirby AC CMG, former Justice of the High Court of Australia.

A complete library of legal principles, *The Laws of Australia* covers over 320 topics and every Australian jurisdiction. With unmatched breadth and depth, and an easy-to-read style, it will quickly acquaint you with any area of law.

Why Choose The Laws of Australia?

- Discursive commentary takes you beyond factual statements of the law. Basic principles are contextualised, and the law clearly explained
- Each paragraph can be read in isolation as an authoritative statement of the law
- Our Editor in Chief The Hon Michael Kirby AC CMG takes an active role in steering *The Laws of Australia's* development
- Our title editors are experts in their fields and actively oversee updates, reviewing and advising on content and new developments
- We're committed to an expanded updating program and the ongoing, continual improvement of the service's currency
- *The Laws of Australia* is available on the Westlaw AU online legal research platform. It provides you with thousands upon thousands of links to our key online services such as *FirstPoint*, law journals, law reports and *Unreported Judgments*.
