CASES - Homepage

Start your Cases research from the **Legal Online** home page to:

1. Browse Cases from the Product List
2. Run a quick search across multiple Legal Online products including The Laws of Australia, Online Commentaries, Precedents, Journals (full text & abstracts) and now Cases (full text & FirstPoint).
3. Access Cases single Search Form by selecting the Cases content link

Search full text cases and FirstPoint from the homepage.

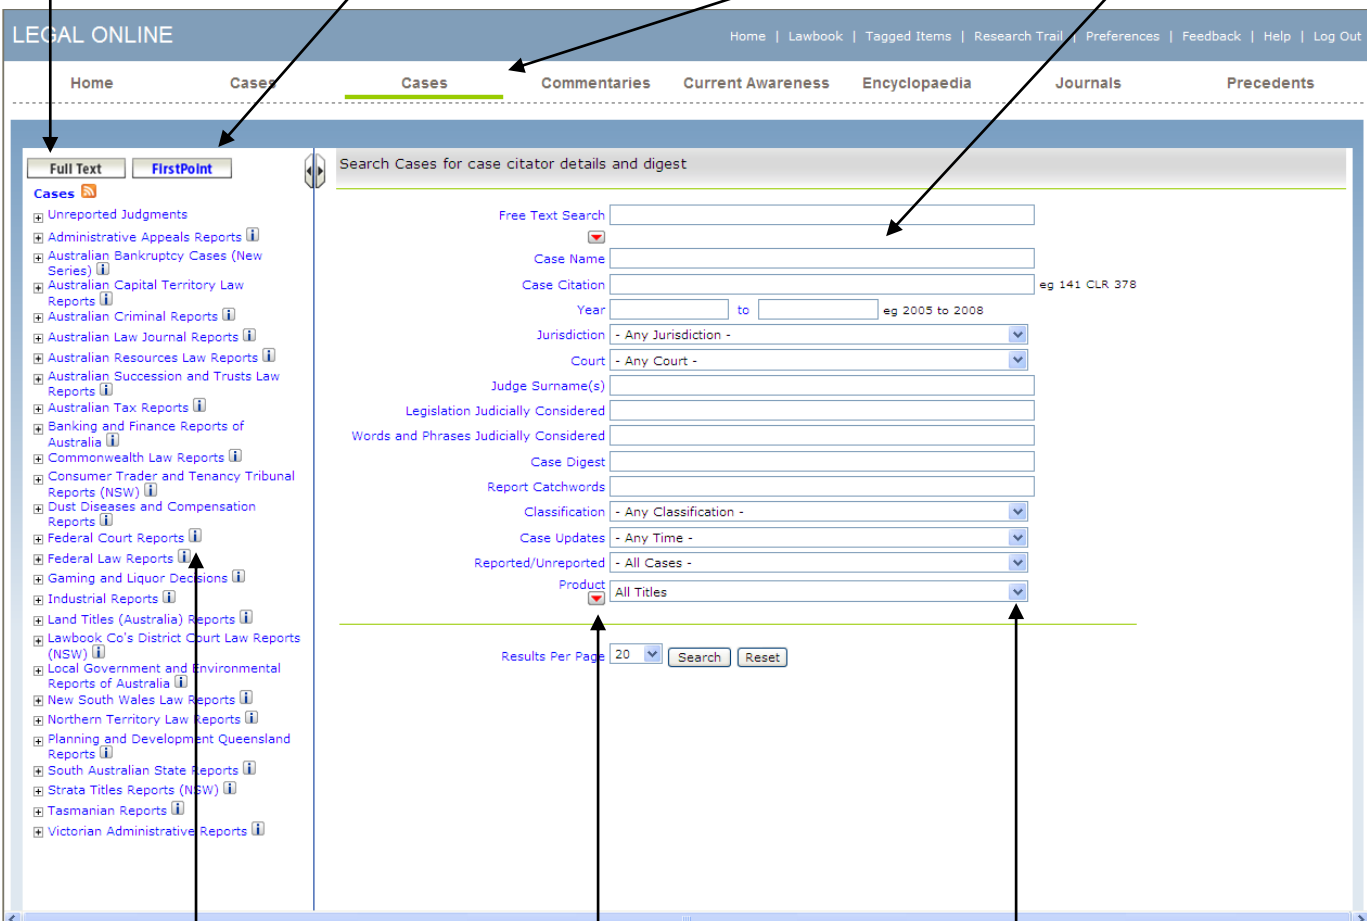

The screenshot shows the Legal Online homepage with several callout boxes:

- Top Left:** A box pointing to the 'Cases' link in the Product List, stating: "Cases link provides quick access to browse and search the cases."
- Top Center:** A box pointing to the search bar, stating: "Enter terms to conduct a quick Search across multiple Legal Online products including Cases, The Laws of Australia, Online Commentaries, Journals and Precedents."
- Top Right:** A box pointing to the 'Help' link in the top navigation bar, stating: "Select Help to access cases URL List and User Guide"
- Bottom Left:** A box pointing to the 'Cases' link in the top navigation bar, stating: "Click Cases to display a list of subscribed products for searching or browsing."
- Bottom Right:** A box pointing to the 'Help & Support' section, stating: "Support Services"

The homepage layout includes a top navigation bar with links for Home, Lawbook, Tagged Items, Research Trail, Preferences, Feedback, Help, and Log Out. Below this is a secondary navigation bar with links for Home, Cases, Commentaries, Current Awareness, Encyclopaedia, Journals, and Precedents. The main content area is divided into three columns: Product List (with a 'Cases' link selected), Search (with a search bar and a list of checked products including FirstPoint, The Laws of Australia, Online Commentaries, Journals, Cases, and Precedents), and Announcements (with sections for Bookmarking with Online Commentaries, Help & Support, Digital Support, Training Support, User Guides, Terms of Use, and User Update Newsletter). The footer contains contact information for Digital Support (1800 020 548) and copyright information for Thomson Reuters (Professional) Australia Limited.

CASES

Locate a case by browsing the full text Case titles or FirstPoint classification titles in the Table of Contents. Alternatively enter your search terms into the single search form to search across all subscribed cases content.

Full Text button displays list of subscribed Cases for browsing.

FirstPoint button displays Subject Classification for browsing.

Cases link

Enter search terms into one or more fields, select a Case(s) from the Products list and click **Search**.

Scope (i) button provides product and currency information.

To select multiple Cases for searching click the **Titles** button and select the required Cases products from the list.

To select a Case Title for searching click **All Titles** from the Product list to display a list of subscribed services.

CASES – Results (Hitlist)

The Cases result provides the following features:

1. Multiple hits relating to the same case (FirstPoint and full Text options) are consolidated into a single hit.
2. FirstPoint classification in hitlist (subscribers only).
3. PDF links to the as-printed versions of full text case.
4. Tools for printing, emailing and saving results.
5. Current Search & Refine Search functionality.

Select articles from the list and choose to Print, Tag/Save or PDF the document record.

Current Search displays the current search syntax

Refine Search

Edit, Tag/Save, Print, PDF and Email Tools for working with your Results

- Litigation History

CASES – Other Features

Bookmarking

Bookmarking Cases is now available in Legal Online. With Cases you are now able to bookmark a Series, a Volume or a single case.

Saving/Tagging

With Legal Online you are able to save a search or document. This is useful for returning to a previous list of results or to a specific document at a later date.

Terms in Context

Legal Online also provides the ability to view your search terms in the context of the document from the Search Results/Hitlist (“words around hits”).

Help and Support

If you have any questions or would like to arrange for preview access contact our Digital Support Team on 1800 020 548 weekdays between 8am and 7pm (EST). In addition we have created a list of FAQs, simply click here to view the list.
