

# CUSTOM PUBLICATIONS

What does your ideal textbook look like? Working with our specialist custom publication team means you can create your ideal textbook, mixing book, journal and law report content with your own course resources. **Save your students money and yourself time!**

*"I chose the content for the text from a wide range of existing publications. I also wrote a chapter and adapted existing content to fit the course...The publication was delivered on time and to the specifications I needed...it looks and feels like a cohesive publication, you can't tell it comes from a variety of sources."*

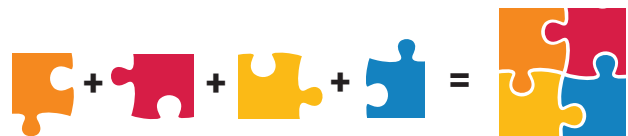

*Dr Hugh McDermott  
Charles Sturt University*

*"I was most impressed with the services provided by Thomson Reuters staff in developing a custom book for law. The staff were sensitive to my needs, professional, and regularly kept me informed of developments. The book was finished and delivered in a professional and timely manner."*

*Alperhan Babacan  
Swinburne University*

## How do custom publications work?

**It's simple!** Turn multiple texts into one robust publication.

Custom publications can offer significant savings for your students by eliminating the need to purchase multiple texts. As one of the world's largest publishers of legal content, you can select a mix of our wide range of content from our:

- Books and eBooks on ProView™
- Law Reports
- Encyclopaedic content
- Firstpoint
- Journals
- Subscription works

## Add your own content.

You can also include your course notes, case studies or summaries, end of chapter reviews and reflective questions to your custom publication.

Or, speak to us about publishing your own course notes as an exclusive custom book or eBook for your students.

## CONTACT US

Contact your Account Executive for more information, or to start your own custom publication.
