## VICTORIAN BAR ONLINE LEGAL RESEARCH PACKAGE

### KEY BENEFITS

- ✓ **Simplify access to authoritative content** with our “One Stop Shop” for all Victorian case law requirements that includes the Commonwealth Law Reports, Federal Court Reports and all authorised State reports.
- ✓ **Find reliable answers at speed** using First Point, our premium online case law citator powered by the Australian Digest. Search full text case law from 1825 to present day, updated daily by our 15 in-house legally qualified editors.
- ✓ **Ensure compliance with Court Practice Notes** with quick & easy downloadable PDFs, in the same format as paper volumes, ready to hand up in Court (e.g. *Practice Note SC Gen 3, para 5.1*).
- ✓ **Realise more value from legal research** by accessing expert and up-to-date analysis of Victorian case law and legislation through our selected commentary products.
- ✓ **Enjoy flexibility** by hand picking the titles that are most relevant to your practice, swapping titles in and out as required to meet the demands of your evolving caseload.

### WESTLAW AU

**Westlaw AU** makes online legal research simple, efficient and painless. Its flexible navigation, advanced search filters and intuitive screen layout provide access to over 100 legal products specifically selected for Victorian barristers.

### RESEARCH WITH CONFIDENCE WITH:

**Law Reports**, an essential part of any barrister’s collection. Thomson Reuters publishes the largest collection of authorised and specialist law reports, covering the High Court, Federal Court, Fair Work Commission and State superior courts.

**FirstPoint**, powered by the Australian Digest, is our leading online case law research tool. It provides citator information and reliable summaries of important cases. The service includes daily updates, with more than 15,000 new cases added each year. Our legally-qualified editors read and classify all cases to FirstPoint’s unique legal classification scheme, enabling users to find the best cases on each point-of-law.

**The Laws of Australia**, our complete encyclopaedia of legal principles covering more than 320 topics across all major areas of the law. Former High Court justice, the Hon. Michael Kirby AC CMG is Editor-in Chief of The Laws of Australia. Content in the service is authored by more than 400 legal specialists. Its unmatched breadth and depth, and easy-to-read style, will quickly acquaint you with unfamiliar areas of the law.

The largest collection of authorised and specialist law reports in Australia, and our 5 flagship core legal products:

### PROVIEW

**ProView** is our eReader platform that allows you to connect to trusted legal content. It’s designed for professionals like you to access authoritative legal information anytime and anywhere. Access your library of eBooks and eSubscriptions on the go and enjoy book-like readability on a range of devices including iPad, Android tablet and your desktop.
