## Top 10 FirstPoint Advantages

- 1** 21 Australian legal editors working for you. FirstPoint editors have local legal qualifications, local experience and Australia-wide expertise.
- 2** You have the latest cases. In less than 48 hours, we add point-of-law classifications, litigation history and case relationships to more than 90% of new FirstPoint cases.
- 3** Use FirstPoint status flags and know sooner if your case authority has been doubted or overturned. The flags are updated within 48 hours of receiving a citing case.
- 4** When time is short, use "FirstPoint Verified". The legal editors have highlighted the most significant case and legislation references for you.
- 5** In addition to "FirstPoint Verified", continue your research with "Other References" – a list of more cases and legislation provisions cited by your case.
- 6** FirstPoint is powered by the Australian Digest. Browse the FirstPoint classification key and locate more judgments - including obscure judgments - on your point of law.
- 7** If you need a fast brief on selected cases - more than court catchwords - read an on-point summary by our legal editors.
- 8** Find and download the best authorities. FirstPoint is integrated with the largest range of authorised and specialist law reports - including the Commonwealth Law Reports.
- 9** Don't miss an important development. Create a customised alert on practice areas and points-of-law that matter to you.
- 10** What are others saying about your case? "Related Documents" gives you expert commentary, relevant articles, analysis and encyclopedia content.
